

COSHH Data Sheet
Magply® Primer
1. Identification of the Substance/Mixture and of the company/undertaking

1.1. Product Identifier

Trade Name

MAGPLY PRIMER

1.2. Relevant identified uses of the substance or mixture and uses advised against

Identified Uses

Primer

1.3. Details of the supplier of the safety data sheet

IPP Ltd

Bradwell Hall

Bradwell on Sea

Essex CM0 7HX

Tel: 0044 (0)1621 776252,

Fax: 0044 (0)1621 776688

1.4. Emergency telephone number

In case of emergency, contact toxicological information, emergency tel 112

2. Hazards Identification

2.1. Classification of the substance or mixture

CLP: This product is not Classified as hazardous

CHIP: N/A

2.2. Label elements

Hazard phrases – Not applicable

Signal Words – Not applicable

Precautionary Phrases

P261 – Avoid breathing dust/fumes/gas/mist/vapours/spray

P264 – Wash thoroughly after handling

P273 – Avoid release to the environment

2.3. Other hazards

No hazard expected under normal conditions of use

3. Composition/Information on Ingredients

3.1. Mixtures

Isotridecylalcohol, ethoxylated, sulphated, sodium, salt

| | |
|---------------|-----------------------------|
| CAS Number | 150413-26-6 |
| Concentration | <2% |
| Categories | Skin irrit. 2, Eye irrit. 2 |
| Symbols | GHS07 |
| H Phrases | H315, H319 |

4. First Aid Measures

4.1. Description of first aid measures

Upon breathing in

Remove patient to fresh air

Seek medical advice if necessary.

Upon contact with the eyes

May cause irritation to eyes. Rinse immediately with plenty of water for 15 minutes holding the eyelids open. Seek medical attention if irritation or symptoms persist.

IPP Black Mountain

Bradwell Hall, Bradwell on Sea, Essex CM0 7HX

Tel: 01621 776252

Fax: 01621 776688

Upon skin contact

May produce an allergic reaction or cause irritation to skin. Wash off immediately with plenty of soap and water. Remove contaminated clothing. If irritation or symptoms persist, seek medical advice.

Upon ingestion

Do not induce vomiting

If vomiting occurs, turn patient on side

Seek immediate medical attention

4.2. Most important symptoms and effects, both acute and delayed

No information available

4.3. Indication of any immediate medical attention and special treatment needed

None identified

5. Fire Fighting Measures

5.1. Extinguishing media

Not flammable. Extinguish with materials intended for the surrounding fire

5.2. Special hazards arising from the substance or mixture

Product not flammable. The dry powder can burn

Thermal decomposition or combustion may liberate carbon oxides and other toxic gases or vapours including Hydrocarbons

5.3. Advice for fire fighters

Do not allow run-off water to enter sewers and water sources

Wear self-contained breathing apparatus and full protective clothing

6. Accidental Release Measures

6.1. Personal precautions, protective equipment and emergency procedures

Avoid contact with skin and eyes

Wear protective clothing as per section 8

6.2. Environmental precautions

Prevent further spillage if safe

Do not allow to enter public sewers and watercourses

6.3. Methods and material for containment and cleaning up

Absorb spillage in inert material and shovel up

Collect as much as possible in clean container for reuse or disposal

6.4. Reference to other sections

Not applicable.

7. Handling and Storage

7.1. Precautions for safe handling

Adopt best Manual Handling considerations when handling, carrying and dispensing

P270 – Do not eat, drink or smoke when using this product

7.2. Conditions for safe storage including any incompatibilities

Do not allow to freeze. Keep container and its contents between 5°C to 20°C

Keep away from food, drink and animal feeding stuffs

Store between + 5°C and +35°C; protect from frost and direct sunlight

Store in correctly labelled containers

7.3. Specified end uses

Not relevant

8. Exposure Controls / Personal Protection

8.1. Control parameters

There are no recommended or established controls for this product

IPP Black Mountain

Bradwell Hall, Bradwell on Sea, Essex CM0 7HX

Tel: 01621 776252

Fax: 01621 776688

8.2. Exposure controls

Wear suitable protective clothing, including eye/face protection and gloves (neoprene or nitrile are recommended)

In case of insufficient ventilation, wear suitable respiratory equipment/protection

9. Physical & Chemical Properties

9.1. Information

| | |
|---------------------|-------------------------------|
| a) Appearance | Form: Liquid Colour: White |
| b) Odour | Characteristic odour |
| c) pH | 7.0-9.0 |
| d) Specific Gravity | 0.97 – 1.03 g/cm ³ |

9.2. Other information

No data available

10. Stability and Reactivity

10.1. Reactivity

May discolour on exposure to water

10.2. Chemical stability

Considered stable under normal conditions

10.3. Possibility of hazardous reactions

No hazardous reactions known if used for its intended purpose

10.4. Conditions to avoid

No special requirements

10.5. Incompatible materials

None

10.6. Hazardous decomposition products

In the event of thermal decomposition, vapours potentially dangerous to health may be released.

11. Toxicological Effects

11.1. Information on toxicological effects

No information available

12. Ecological Information

12.1. Toxicity

No information available

12.2. Persistence and degradability

Not readily biodegradable

12.3. Bioaccumulative potential

Bioaccumulation is insignificant.

12.4. Mobility in soil

The product is miscible with water.

12.5. Results of PBT and vPvB assessment

Not classified as a PBT/vPvB

12.6. Other adverse effects

No information available

IPP Black Mountain

Tel: 01621 776252

Fax: 01621 776688

13. Disposal Considerations

13.1. Waste treatment methods

Do not empty into drains – dispose of this material and container in a safe way

14. Transport Information

Not classified as hazardous for transport

14.1. UN number

Not applicable

14.2. UN proper shipping name

Not applicable

14.3. Transport hazard class(es)

Not applicable

14.4. Packing group

Not applicable

14.5. Environmental hazards

Not applicable

14.6. Special precautions for user

No special precautions are required for this product

14.7. Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code

Not applicable

15. Regulatory Information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

Not hazardous according to EC 1272/2008

15.2. Chemical safety assessment

Assessment and chemical safety report in accordance with 1907/2006 Annex I has not yet been performed.

16. Other Information

Text not given with phrase codes where they are used elsewhere in this COSHH sheet – H315: Causes skin irritation. H319: Causes serious eye irritation

Liability

The information given is correct to the best of our knowledge at the time of publication but without guarantee of accuracy. We do not accept any responsibility for damage and claims arising from handling, transport, storage or disposal of the product. This safety data sheet applies only to the product named above supplied by IPP. If the product is used as part of other products, information given in the safety data sheet may be invalidated.

No warranty is hereby expressed or implied.
