

Data Sheet MAGPLY PRIMER		Magply®
Company information		
<u>Manufacturer:</u> IPP Ltd Bradwell Hall Bradwell on Sea Essex CM0 7HX Tel: 0044 (0)1621 776252, Fax: 0044 (0)1621 776688		
Product Description		
MAGPLY PRIMER has been specially designed for contractors to negate the high absorption and super smooth surface of Magply board. When using Magply board, MAGPLY PRIMER can be used, dependant on the requirements of the user, to remove the suction for the board, preparing it for paints, plasters, renders and adhesives. MAGPLY PRIMER is a technically advanced, high performance product which does not need mixing and can be applied in one coat. MAGPLY PRIMER dries quickly dependant on climatic conditions, allowing the user to fast progression to the next stage.		
Application Instructions		
All surfaces must be clean, sound and free from dirt, grease and other contaminants.		
MAGPLY PRIMER should be applied to Magply board using a brush, fine roller or sprayed on. Ensure that the whole surface is covered and wait to dry before applying paint, plaster, render or adhesive. Application of the next layer should always be carried out following the specific manufacturer's instructions.		
MAGPLY PRIMER does not need shaking or stirring and is supplied in a 5L ready to use container.		
DO NOT DILUTE
